

Application Form

The purpose of the Mount Magazine Action Group (MtMAG) is to support and promote the educational and conservational mission of Mount Magazine State Park.

MtMAG accomplishes its purpose by:

- Providing an organized way in which people who enjoy Mount Magazine State Park can combine their efforts and resources.
- Creating a group of dedicated volunteers who will assist the Park staff with educational programs, recreational programs, and resource management.
- Dues and donations are used for only for Mount Magazine State Park educational programs and resource conservation. No one is paid a salary and administrative costs are low.

You can help maintain trails, assist with gardening and general landscaping, litter control, research and be a greeter at special events. We endeavor to enrich each visitor's state park experience.
